**Is it worth it ?**

**3** Reasons why you should have Windy City Consultants send you a State of Illinois Licensed Architect to review your property for a free porch inspection:

- 1) Avoid City Fines and Legal action against you if they inspect and find a dangerous or hazardous porch.
- 2) Avoid your insurance company raising your premium.
- 3) Your Family and tenant's safety.

**Contact us for your free inspection! Se Habla Español.**
